attach it along with other required documents for this assessment. Ensure you complete all required information.

? What do I need to do?

During the project, you monitored the performance of John Smith and noticed the following:

- John attended the site induction
- Only 20 pre-start checklists were submitted – there should have been 40
- All housekeeping checklists were submitted as required
- Incident reports were all submitted
- JSA's were completed for all jobs
- John attended all safety meetings

Use this information to complete the **post-project safety review form**
