? What do I need to do?

This activity relates to the project Oskar Court. You have been appointed as the project manager for this construction project.

To kick off this project, you are required to prepare a project brief for the client. This project brief must include the following:

- Overview of the site conditions for the construction project, including any specific allowances that have needed to be made.
 - For this step, you can review the **360 Walkthrough Library** (<https://buildersacademy.instructure.com/courses/113>) of the construction process of Oskar Court, specifically the **Site Cut Virtual Tour** (<https://buildersacademy.instructure.com/courses/113/assignments/144489>) .
- Estimation of probable costs of construction, in an Excel Spreadsheet (use the provided **Costs of Construction Template** (<https://buildersacademy.instructure.com/courses/5418/files/2578045?wrap=1>) ↓ (https://buildersacademy.instructure.com/courses/5418/files/2578045/download?download_frd=1)).
- Inclusion of all project plans and specifications
- Completed planning applications

This project brief must then be prepared with a cover letter seeking approval from the client.

✓ How will I be assessed for this task?

For this task you are required to submit the following:

- Completed Project brief
- Completed costings spreadsheet
- Completed planning applications

- Cover letter seeking approval from the client.
- A Completed Coversheet /Answer Sheet: **M6_Cover_Assessment 2.2 Part B_V1.1**
